ALESI is a non-profit corporation within Section 501 (c)(3) code. **ALESI** specializes in long term compliance and management of federal and state grants. **ALESI** provides audit services to help determine the needs and compliance issues any local government or non-profit may be experiencing. **We** provide actuarial services in determining project development and management and workplace studies in government and non-profits.

ALESI provides consulting in:

1. Section 3 Work Force Plans
2. Organizational Solutions
3. Program Development and Management
4. Addressing Affordable Housing needs throughout the state
5. Management and Compliance of state and federal grants
6. Management of state and federal procurements
7. Corporate and government trainings
8. Compliance in all federal and state funding
9. Security and Safety in the Workplace
10. Organizational Behavior Conflict Management
11. RFP/RFQ Full services
12. Employer and Employee Trainings
13. CAPER Development
14. 5-Year Consolidation Plans Development
15. Federal Reports compliance and completion
16. Ombudsman Services
17. OSHA Compliance on Health and Safety

Many municipalities are not in compliance with Section 3 provision of the HUD Act of 1968, risking large fines and loss of state and federal funding. Assessing such situations, recommending steps to correct, and assisting with the execution to bring the municipality or any other entity into compliance is a specialty of ours.

We would be happy to discuss this or any other questions or issues that you may have. Feel free to call us and ask for me personally.

Respectfully,

Darsi D. Beauchamp, Ph.D., CEO
